We will be utilizing National Exchange Club's Zoom account that is capable of handling up to 100 members. We encourage all members to be on the virtual convention for all three one hour sessions, but you will be able to log on to any portion. The registrations will help in the Election of Officers, and any voting to be done. We will be sending out sign on information in the next few weeks. While registering will help, you will still be able to sign on if you haven't.

*Please register with District Secretary John Fetters by June 3rd at [JFetters1@aol.com](mailto:JFetters1@aol.com)*

*Feel free to contact me if you have any questions.*
